Notice to Students

The rules, regulations, policies and general information that appear in this graduate student handbook were in effect at time of its publication. Like everything else in this graduate student handbook, they are published for informational purposes only, and they do not constitute a contract between the University and any student, applicant for admission or other person. Whether noted elsewhere in this graduate student handbook or not, the University reserves the right to introduce additional rules and to change, eliminate and add to any existing rules, regulations, policies, fees and other charges. Whenever it does so, the University will give as much advance notice as it considers feasible or appropriate, but it reserves the right in all cases to do so without notice.

Welcome

We are pleased to welcome you into the Framingham State University (FSU) community. Your commitment to learning constitutes an important contribution to the academic excellence at FSU. As a graduate student, we hope that your involvement will extend beyond your coursework and that you will take advantage of opportunities available at the University (e.g., special lectures, athletic events). In addition to the [Graduate Catalog](#) on the University website, this handbook has been developed to give you access to materials that you may find useful while pursuing your graduate degree.

We eagerly solicit your feedback about the usefulness of this handbook, particularly in calling our attention to information and issues that are not currently included, but should be. Please send your suggestions to Marilyn Cleary, Ed.D., Dean of Graduate Studies and Continuing Education at mcleary5@framingham.edu.

COVID-19 Pandemic Policy

The state's COVID-19 public health emergency ended on May 11, 2023, the same date that the federal public health emergency ended. On Friday, May 5th, the [World Health Organization](#) announced that COVID-19 no longer constitutes a worldwide public health emergency. These changes have prompted Framingham State University to update its COVID-19 pandemic policy to align with current state and federal practices.

This means that the University will no longer require that faculty, students, and staff provide proof of vaccination for COVID-19, effective July 1, 2023.

The University continues to strongly recommend that all members of the campus community remain up to date on COVID-19 vaccinations and boosters, which have proven to be safe and effective at preventing serious illness.

Students are reminded that if you are unwell with respiratory symptoms, you should minimize contact with others and seek guidance from a health care provider as appropriate. Students who participate in clinical settings where the vaccine is required will need to follow their placement location's vaccine requirements.

If you have any questions regarding this, please reach out to the FSU Health Center at 508-626-4900 or healthcenter@framingham.edu.

Getting Started

Academic Advising

Graduate students are assigned a graduate advisor at the time they receive admission to a graduate program. The graduate program advisor will have the responsibility of advising the student in completing the graduate degree requirements. It is recommended that students meet with their advisor each semester, but no less than once per academic year. Students are expected to view their degree audit, accessed via *myFramingham* portal, prior to meeting with their graduate program advisor.

Canvas

The Canvas learning platform offers a mobile-friendly, accessible interface to support teaching and learning. Students use Canvas to access course materials, engage in critical thinking activities, and collaborate online. Follow these links to access the [Passport to Canvas student tutorial](#) (no login required), then **access Canvas** with your assigned username and your selected password.

If assistance is needed, call 508 215-5906, email IT@framingham.edu, search the on-demand [self-service portal](#), or if you are on campus, stop by the Technology Resource Center in the Whittemore Library, Lower Mezzanine.

Information Technology Services (ITS)

The Information Technology Services team looks forward to supporting students, faculty and staff as they begin their Framingham State experience. ITS provides a range of help and support to enable you to make the most of our extensive IT resources during your time at Framingham State University. View more information regarding the [services ITS provides](#).

Technology Resource Center

The **Technology Resource Center** (TRC) is often your initial contact point with IT. It is where you will speak with a technician to answer your general computing questions or pick up equipment. If you are on campus, the TRC provides in-person support in the lower mezzanine of the Henry Whittemore Library or at the IT Info Desk on the library's first floor after 4 pm.

General Computing Lab (HH122)

The General Lab in Hemenway Hall, room 122, is open Monday to Friday between 8:00 am and 4:00 pm. Stop by to use a study space, meet with a group or access the technology in the room. When the lab is closed, students may also use library computers or printers on the first level, in the Periodicals Department on the Upper Mezzanine, and near the IT Technology Resource Center on the Lower Mezzanine.

Apporto Virtual Desktop Environment

When computer lab software is needed, and you can't get to the General Lab, log into [Apporto](#) to use SPSS, Microsoft Office365 (including Access), and Minitab without downloading the software to your computer. Apporto virtual desktop is available from any browser anytime and anywhere with Internet access by logging in with Framingham State username and password credentials.

Identification Cards

All students are required to obtain Framingham State University Identification Cards. ID cards are the property of Framingham State University, are non-transferable, and must be returned to the Office of the Registrar upon withdrawal from Framingham State.

Day and evening students will have the initial ID photo taken at orientation. ID Cards are distributed at the end of the student's orientation or can be picked up at the ID Office up to 15 business days following orientation. There is no charge for the initial ID card. Resident, commuter, faculty, staff, contractors, and replacement identification cards are produced at the FSU Police Department's ID Office, located on the ground floor of the McCarthy Center, (CC100A), adjacent to the University Police Station.

The ID card form is available at the ID Office on the ground floor of the McCarthy Center (CC100A). The form should be returned to the ID Office during business hours. ID Office Contact Number: 508-626-4944. Your ID is necessary to access many beneficial services at the University, including use of the gym at the Athletic and Recreation Center in Dwight Hall.

Parking

All students who park on campus must have a commuter parking decal. At this time, we are in the process of updating the permit ordering process for Fall 2023. When there is new information on how to order permits we will email and post the information to this [website](#). Please do not attempt to order permits at this time, you will be ordering a permit for last year's semesters and will only end up double charging yourself for a previous year. If you need to park on campus during the summer please park in the Maynard Lot, permits are valid until August 31, 2023. If you do not have a permit on your vehicle please go to University Police to obtain a temporary parking pass. Please make sure that your vehicle has a temporary parking pass to avoid being ticketed and towed when parking in your assigned lots on campus. Please direct questions and concerns to parking@framingham.edu or call 508-626-4911.

Textbooks

Your instructor will publish course text book information prior to/or at the beginning of the semester. To check and see what books you need for all your course(s) click [here](#).

Graduate Policies and Procedures

Academic Honesty

Integrity is essential to academic life. Consequently, students who enroll at Framingham State University agree to maintain high standards of academic honesty and scholarly practice. They shall be responsible for familiarizing themselves with the published university policies and procedures regarding academic honesty. For complete details regarding academic honesty please refer to the [Graduate Catalog 2023/24](#).

Academic Standing

Academic Average for Graduate Degrees and Certificates

Completion of a graduate degree program or graduate certificate at Framingham State University requires that all students achieve a minimum of **3.00** grade point average in graduate courses taken to satisfy program requirements. Only credits received from Framingham State University are included in this calculation. Students are expected to monitor their academic progress and will receive an academic warning if their grade point average falls below 3.00.

Academic Warning

A student shall receive a warning the first time the cumulative grade point average falls below 3.00.

Academic Dismissal

A student may be dismissed from the program if they are placed on Academic Warning for a second semester (consecutive or otherwise).

Upon notification of dismissal, students will have up to one semester from the date of notification to make a formal written appeal for readmission. Students must submit appeals using the online form provided on the University's website.

The Graduate Education Council (GEC) will review dismissal appeals. Students will be notified of the appeals decisions by the Office of Graduate and Continuing Education (GCE). For appeals that have been granted, there may be some conditions that go along with the approval that could involve actions like re-taking a class or developing an academic success plan. Students whose appeals are not granted may apply for readmission to the University after an absence of one semester.

Attendance

Graduate students are expected to attend all class sessions. In circumstances when a student cannot attend, the instructor should be notified at the previous class meeting. Veterans receiving VA benefits must attend regularly in order to ensure their benefits. Students receiving Financial Aid must attend regularly in order to ensure their Financial Aid.

Mandatory Health Insurance

State law requires all full-time students attending Framingham State University to have health insurance. Students must either waive or enroll in the Health Insurance plan offered by the University (8/1/23 to 7/31/24). Submittal of the waiver or insurance enrollment is required in order to be registered at the University. Part-time students are not eligible to purchase the health insurance offered by the University. For additional information regarding the Student Health Insurance Plan please [click here](#). You may also link to this Website through *myFramingham* portal.

Snow Emergency

In the event of severe weather conditions or other emergency situations, notice of delayed openings or cancellation of classes will be broadcast on radio station **WBZ 1030 AM** and the television station **WBZ - TV Channel 4**. Announcements will be made beginning at 6:00 a.m.

For complete information during a snow emergency click on [Parking-Rules-Regulations](#).

Students, Faculty, and Staff are encouraged to register or update contact information, via *myFramingham*, for the University's emergency notification system. This system will be used for emergencies only, including school closings due to inclement weather, public safety warnings, etc. Please go to the Emergency Notification channel found on the main page within *myFramingham*.

Student Conduct

Graduate Students must comply with Framingham State University Guidelines and Policies, as outlined in the Ram Student Handbook. University regulations include but are not limited to: the Framingham State University General Student Conduct Code; the alcohol and drug policy; the care and use of university property; and the sexual harassment policy. Unfamiliarity with institutional regulations or rules is not grounds for excusing infractions. Students who are involved in violations of University conduct guidelines or commonly accepted standards of behavior while on campus will be subject to disciplinary proceedings by the University. The [RAM Student Handbook](#) is available in alternative formats for students with disabilities.

Course Registration

Adding or Dropping Courses

Graduate students may add, drop, or change sections of a course. This is done by logging into the portal, *myFramingham*. Students may add/drop without receiving a “W” if the course is dropped before the end of the sixth academic day. Students should refer to the Graduate Studies and Continuing Education Academic Calendar for the exact dates found on the website. **Note:** Non-attendance does not constitute being “dropped” from a course. Also, attending a course without having been officially “added” to the course does not constitute enrollment in the course.

Graduate students taking **Day Division courses**. A student may add or drop a semester course or change a section of the same without penalty if the course is dropped before the end of the sixth academic day. This is done in the portal, *myFramingham*. Refer to the Day Division Academic Calendar on the website for the exact date when add/drop is over. **Note:** Non-attendance does not constitute being “dropped” from a course. Also, attending a course without having been officially “added” to the course does not constitute enrollment in the course.

Directed Study

Students who wish to take a regular university course in a term when it is not offered may seek to do so through a directed study option. However, students must understand that, because the appropriate Framingham State University (FSU) faculty must be available and approvals must be granted, the option of directed study for a particular course is not always available. In directed study, the FSU faculty member must agree to provide the student with close supervision, in achieving the same course objectives that would have been accomplished had the student taken the course on a regular class basis. Permission for directed study must be obtained from the subject/course faculty supervisor and the course department chair. Forms for enrolling in an Directed Study are available at the Office of the University Registrar or click [here](#). The completed forms must be submitted to the office of the university registrar prior to the end of the course add/drop at the start of the semester. Directed study courses will appear on the student’s course history with the actual course prefix, number, and title as found in the catalog.

Independent Study

Independent Study, which is faculty-supervised research or readings into areas of study outside the current curriculum, offers students the opportunity to investigate a research topic or readings independently, under the close supervision of an FSU faculty member. Independent Study will only be approved for research into areas of study that do not duplicate the University’s current curriculum of courses.

The student will be responsible for meeting the departmental requirements of the Independent Study as outlined in the catalog description and approved by the FSU faculty supervisor and the course department chair. The FSU faculty sponsor will assume responsibility for coordinating the Independent Study, evaluating its results, and determining an appropriate grade. Forms for enrolling in Independent Study are available at the Office of the University Registrar or click [here](#). The completed forms must be submitted to the Office of the University Registrar prior to the end of the Course Add/Drop at the start of the semester. Independent Study topics will be so designated on the student's transcript.

MBA Capstone

Students planning on registering for MBA Capstone in order to complete requirements for their MBA degree must complete the form by **April 1st** for **Summer** and **July 1st** for **Fall**. The MBA Capstone is to be completed at the end or near the end of the student's degree program. This form must be filed in the Office of Graduate Studies and requires prior written permission of the Dean of Graduate Studies, before registering for this experience. Click [here](#) to complete the fillable MBA Capstone Approval Form and email it to khardy@framingham.edu. For more information, please call (508) 626-4558.

Seminar

Students planning on registering for Seminar in order to complete the requirements for their Master of Healthcare Administration, Master of Human Resources or Master of Public Administration degree must complete the form by **November 1st** for Spring Seminar, **April 1st** for Summer Seminar, and **July 1st** for Fall Seminar.

Prerequisites for Seminar vary slightly with the degree program a student is pursuing. In general, it is to be completed at the end or near the end of the student's degree program.

This form must be filed in the Office of Graduate Studies and requires written permission of the Dean of Graduate Studies, before registering for this experience. Click [here](#) to complete the Application for Approval to Register for Seminar Course and email it to khardy@framingham.edu.

Educational Records

Change in Biographical Data

If you have a change/correction in address, emergency contact, name change, social security number or date of birth. The Biographic Data Change Form is digital and eliminates the need to submit a form by email. Please [use this link](#).

Transcripts

Transcripts can be ordered online or by mail. Please note that transcripts **will not be issued for students with outstanding financial obligations to the University**. To learn more about ordering transcripts please [click here](#).

Transfer Courses

Transfer credit for prior graduate coursework completed at another regionally accredited college or university will be considered at the time of admission based on course descriptions and documentation submitted with the student's application. Matriculated graduate students are expected to complete all coursework at Framingham State University. Under extenuating circumstances, students may request permission to take a course for transfer credit after admission, and must obtain prior approval in writing from both the program advisor and the Dean of Graduate Studies. Courses accepted in transfer credit must meet the academic criteria established by Framingham State University.

Transfer credit is limited to two (2) graduate courses and must have been completed with a grade of B (3.00 on a 4.00 scale) or better provided they are earned no more than five (5) years prior to the date of admission to Framingham State University. Exceptions may only be made by the graduate admissions committee.

Transfer credit will be allowed on a course basis. An exception is the program in Counseling Psychology where licensure requirements mandate the acceptance of only four-semester hour courses. Students wishing to transfer courses valued at less than three-semester hours may do so but in a ratio that guarantees that the equivalent credit hours of the transfer coursework equal or exceed those of Framingham State University courses replaced. Transfer credit will not be given for life experiences, noncredit, or undergraduate educational experiences. Professional development courses, even at the graduate level, will not be accepted in transfer toward a master's degree at the University.

Enrollment

Change of Program Concentration

A student who has been admitted to a degree program and wishes to be admitted to another degree program will be treated as a new applicant. A letter of intent stating the reason for the request must be submitted along with a new application. Another application fee is also required. No new transcripts need to be sent unless requested, but, depending upon the program applied to, new letters of recommendation and new scores from appropriate examinations may be required.

Not all courses completed in one program may be transferable to another program. For more information please email <mailto:gradadmissions@framingham.edu> or call (508) 626-4501.

Leave of Absence

Applicable to either a matriculated graduate student or Post-Baccalaureate Teacher Licensure Candidate (PBTL).

A Leave of Absence request and approval is required for either the Fall or Spring semester of the Academic Year (*Summer terms are excluded except for MBA, MCO, and MSN programs*) for which the student does not enroll in courses. Leaves will not be granted for more than one semester at a time. A Leave of Absence may not be longer than one semester (*excludes Summer terms except for MBA, MCO and MSN programs*). A student may not request any more than four (4) Leaves of Absence. The policy regarding Time Limits for program completion is not affected by an approved Leave of Absence. Leaves of Absence are available for consideration *only* to continuing graduate students in good standing (minimum 3.00 GPA). Students should consult with their program coordinator to determine if the Leave of Absence is appropriate.

For students on an approved Leave of Absence, registration information will be sent to both the FSU email account and personal email account on file prior to the start of the next registration period and approximately two weeks prior to the term the student is scheduled to return. In order to remain active in the program before the Leave of Absence expires, the student must enroll in course(s) for the upcoming semester.

Should the student not register once the Leave of Absence expires, the student will become Inactive at the University and will need to apply for re-admission in order to resume their program of study.

Timeline A Leave of Absence request must be submitted no later than two (2) weeks prior to the semester for which the Leave of Absence is requested. The Leave of Absence Form is digital and eliminates the need to submit a form by email. Please [use this link](#).

Matriculation and Inactive Status

Non-Matriculated Students

Non-matriculated students may enroll in no more than two (2) graduate courses before formal admission to a master's program. Since curriculum changes occur, prospective students are advised that the two courses taken prior to matriculation may not always apply to the degree program in place once students are accepted.

NOTE: Only students admitted into the Master of Business Administration (M.B.A.) program or Master of Science in Nursing (M.S.N.) program may enroll in the courses required for each respective program. Non-matriculated students are not permitted to enroll in graduate level courses in either of these programs.

Matriculated Students

Students who have met all admission requirements of the graduate program, have received a letter of acceptance from the University, submitted the required Admissions Deposit, and enroll in courses for the semester for which they were admitted will be considered matriculated. Graduate students admitted to a master's program must enroll in courses in the semester in which they were admitted. If a student chooses not to enroll, they may defer admission for up to two (2) semesters, not including summer. Please check with Graduate Admissions as some programs only allow fall semester admission.

Inactive Students

All continuing matriculated graduate students (not newly matriculated) must enroll in at least one course in both the fall and spring semesters in order to remain active in their program. Students matriculated in the Master of Arts, concentration in Counseling Psychology or the Master of Business Administration must also enroll in at least one course during the summer term. If a student elects to take a semester off, a formal Leave of Absence Application (see policy) must be submitted two (2) weeks prior to the semester.

A student who does not request a leave of absence and elects not to enroll in at least one course during the fall or the spring semesters (or summer term for students matriculated in the Master of Arts, concentration in Counseling Psychology or Master of Business Administration) will become inactive at the University. Inactive students must apply for re-admission prior to the start of the semester when seeking to return to active status. Students returning to a program after being away for more than two consecutive semesters (excluding summer except for the two aforementioned programs) are subject to the new program requirements upon their return.

Readmission

A graduate student in good standing who withdraws from the University, or who becomes inactive, may apply for readmission within three years of the last semester attended. A student is defined to be in good standing if he or she was not subject to dismissal at the time of withdrawal. The application for readmission should be submitted at least one month prior to registration for graduate evening or online courses and a full semester ahead for graduate Day School courses. There is no application fee required for readmission within three years.

Students who are readmitted must meet the degree requirements and policies in the Graduate Catalog in effect at the time of readmission. Students must also complete their entire program in the time limit allowed for that program including the time of inactivity. Students should refer to the Time Limit Policy for time limits on coursework applied toward the degree. Students must enroll for the semester in which their readmission is effective.

If a student has been inactive for three years or longer he or she is required to submit a new Application for Graduate Admission and application fee with updated documentation, including a new statement of purpose, transcripts for courses taken at other institutions since being enrolled at Framingham State University, letters of recommendation and cover sheets, and any other documents as required for admittance to their intended program of study. Because of the length of inactivity, it may not be possible to complete all courses in the program of study within the time limit. Students may be required to take additional coursework, or repeat some prior coursework at the discretion of the Program Coordinator and Dean of Graduate Studies. To readmit in a program, apply [online](#). If you have questions regarding the graduate readmission process, please call (508) 626-4501 or email gradadmissions@framingham.edu. If a PBTL student is seeking readmission, the existing licensure folder for a PBTL student (maintained in the Education Department) will be reviewed, in conjunction with the PBTL program readmission application, by the appropriate admissions committee for the license sought. Where any questions arise, the appropriate admissions committee reserves the right to discuss the contents of the student's licensure file with the PBTL applicant. Students must enroll for the semester in which their readmission is effective.

Graduation

Comprehensive Examinations and Commencement

An oral, written or electronic comprehensive examination is required of students in several graduate programs and is indicated in the Graduate Catalog 2023/24. There is a fee of \$125.00 for each comprehensive examination and this examination should be taken during the student's final semester and requires prior approval in writing by the Office of Graduate Studies and by the members of the Examination Committee. Where required, students must receive a passing grade on both their portfolio as well as comprehensive examination in order to graduate.

The comprehensive examination is conducted by a three-member panel established in accordance with the nature of the student's program of study. Candidates pursuing the M.Ed. must have one member of the panel representing the field of education and two in the specific discipline the student has chosen. All other panel members are to comprise three members of the specific discipline.

The comprehensive examination must be passed with a minimum grade of B- or the equivalent at the graduate level and is scored by each member of the panel. A majority ruling determines the results. For more information, please refer to the current Graduate Catalog.

To complete the fillable Master's Degree Graduation and Comprehensive Exam Form click [here](#) or contact [Kimberly Hardy](#), Administrative Assistant in the Office of Graduate Studies or call (508) 626-4558.

There is a graduation fee of \$100.00 which is required to be paid at the start of the student's final semester of enrollment (which includes the semester the comprehensive, if applicable, is taken).

There are four graduation dates per year during which diplomas are issued: August 31st, December 31st, January 31st, and May. Commencement exercises are held in May. Applications for comprehensive examinations (if required in the program) and for Commencement are due during the semester preceding the semester in which the student intends to graduate. The dates for application to graduate are as follows:

April 15 th	August graduation
August 15 th	December graduation
October 15 th	January graduation
January 15 th	May graduation

Commencement Ceremony Participation

Participation in the Commencement ceremony does not constitute conferral of the degree. Similarly, inclusion of a student's name on such publications as the Commencement program does not confirm eligibility for the degree.

In order to participate in Commencement, graduate students must have completed all degree requirements.

Beginning with the Spring 2023 Commencement Ceremony, appeals of this requirement with regard to participation in Commencement ceremony may be made to the Graduate Education Council (GEC). Appeals to the Council must be submitted, in writing, no later than thirty (30) days prior to the Commencement ceremony.

Grading System

Framingham State University uses the following marking system at the graduate level.

Grade	Quality Points
A	4.00
A-	3.70
B+	3.30
B	3.00
B-	2.70
C+	2.30
C	2.00
F	0.00

NOTE: Any grade below a C is recorded as an F and has 0.00 value. Pass-Fail or Satisfactory-Unsatisfactory grades are not accepted for graduate study. Only grades earned at Framingham State University are included in the student's quality grade point average. Grade(s) are viewable online through the portal, *myFramingham*.

AU = (Audit-no credit) A student may audit courses with the consent of the instructor. Such course enrollment will be officially reported on the student's transcript pending approval by the instructor, but the student will not receive any credit. An auditor may not participate actively in coursework without the permission of the instructor. An Audit must be requested prior to the end of published course add/drop period for the term.

MG = Missing Grade. Final grade not yet submitted by the faculty.

NG = Non-Graded course.

W = Withdrawal from a course. Indicates withdrawal from a semester course in the third through the ninth week of the fall or spring semester (for summer term between the third and ninth class meeting).

IR/IC = (Incomplete Requested/ Incomplete Contract Submitted) This is a temporary grade designation that has no impact on the student's grade point average.

Grade Appeal Policy

Students have the right to discuss and review their academic performance with their instructors. Faculty have the right to establish grading standards. Faculty also have the responsibility to define general grading criteria in a course syllabus, communicate those criteria to students, and evaluate students based on those criteria.

Students may appeal final course grades (herein, grade) based on evidence of error, arbitrariness, and/or discrimination. Appeals must be based on concerns related to process and not on differences in judgment or opinion related to academic performance. The burden of proof rests on the student to demonstrate that the grade satisfies the criteria for appeal.

Error

- The instructor made a mistake in calculating the grade.

Arbitrariness

An arbitrary grade is considered to be one that is:

- A substantial departure from reasonable academic practice, such as arbitrarily assigning grades or determining a priori that a specified percentage of the class will receive a specific grade. To fairly represent a student's true achievement, it is understood that failing grades on assessments should receive their true percentile value.
- A grade assigned to a student on the basis of criteria that are a substantial, unreasonable, and unannounced departure from the instructor's previously articulated standards.
- A grade resulting from an instructor adding items not listed on the syllabus, except for extra credit.
- Assigned to a student by resorting to unreasonable standards different from those which were applied to other students in that section of the course.
- Motivated by judgment outside of academic performance (e.g. ill will toward the student).

Discrimination

The University's Equal Opportunity Plan ("EO Plan") prohibits discrimination and harassment on the basis of membership in a protected class. A complaint may proceed under the Investigation and Resolution Procedures, the Title IX Informal Resolution Process, or the Title IX Formal Resolution Process outlined in the EO Plan when a student alleges that a grade was improper because of discrimination, discriminatory harassment, sexual or gender harassment, domestic or dating violence, stalking or retaliation prohibited under the EO Plan. For example, a professor making a quid pro quo arrangement or directing hate/bias speech toward students or protected classes would be some of the types of behaviors that would be indicative of a discrimination-based grade appeal.

For complete information regarding the Grade Appeal Process please refer to the Graduate Catalog 2023/24.

Graduate Assistantship Program

A limited number of graduate assistantships are available for interested and qualified students each academic year.

The Graduate Assistantship requires 13 hour/week commitment during the fall and spring semesters when classes are in session. In return, students receive tuition and fee vouchers for up to two Continuing Education Graduate Classes (held during the evening, Saturdays, or online) per semester and a \$2,500 stipend per semester. For further information [click here](#) or email [Heather McCarthy](#).

We are happy to serve you and hope that you will see us as a friendly and useful resource.

The mission of the Counseling Center is to provide high quality and culturally competent mental health care that supports the psychological and emotional well-being of students. The Center joins the mission of the University by fostering a positive educational and co-curricular experience for students by supporting diversity in all its forms, promoting free inquiry and respectful exchange of ideas, supporting critical and creative thinking, and ethical decision making

As such, the Counseling Center staff is committed to supporting our students and community as we mourn the losses of more Black lives, and grapple with a range of emotions, including sadness and anger, that racism and injustice engender. Racism is real, and racial trauma that effects all people of color, and disproportionately Black people, is real. Please see our [Racial Trauma & Racial Justice Resources](#) page.

The health center is closed on weekends, holidays, school weather closures and summer.

Location: Foster Hall (at the corner of State Street and Maynard Road, next to the McCarthy Center).

Library Services

The Henry Whittemore Library provides a combination of traditional and modern resources and services to the University's students, faculty, and staff. Local holdings include approximately 206,724 volumes of print materials, 326 periodical titles and 668,330 units of microforms. This basic core of resources supports the curricula of all academic departments of the University and is systematically kept current with new acquisitions as selected by specialized staff and requested by faculty and students.

As a member of the Minuteman Library Network (MLN), the Library's holdings are supplemented by an on-line catalog (QPAC) accessing more than 5.2 million volumes held in the combined collections of 41 regional libraries. Inter-library loan requests may be placed electronically, and shuttle delivery moves 8,000 or more such items to and from the Henry Whittemore Library annually. A similar volume of materials is electronically accessed and requested as needed from among the 600 member libraries of the New England Library Information Network (NELINET) and the 13,000 member libraries of the On-line Computer Library Center (OCLC).

The Library offers access to approximately 50 electronic journal and newspaper databases with over 15,000 titles in full-text. These databases, as well as Internet access, are available within the library and throughout the campus-wide network.

Reference services, basic and course-related library instruction, and point-of-use guidance support effective delivery of computerized resources, while traditional library skills and research methods are taught as integral to the continuously evolving information technology. Electronic databases are also available to off-site students and faculty.

Also administered within the Library are the units of Archives/Special Collections which include historical materials unique to the University, and the Curriculum Library – a large, separate collection of model K-12 materials supporting studies in Education.
