_____SUII is awarded to eligible students on a first-come, first-served basis when funding is available.
_____SUII funding is never guaranteed.
_____Students may only receive an SUII award once during their academic career at FSU.
_____The amount of the award varies and is up to a maximum of $5,000.

_____SUII funding will first be applied to any outstanding balance on your account at FSU.   If your cost of attendance has not been fully met with financial aid and your balance has been paid in full, you will receive a refund disbursed directly to you from the Student Accounts Office. If your cost of attendance has been met, the funding will be used to reduce other aid – almost always loans that you borrowed during the current year. It is recommended that you sign up for E-Refund on My.Framingham so any potential refund can be automatically placed in your bank account.

_____If you do not complete your internship or drop your internship course, you might have to return all or a portion of your SUII funding to FSU.  Also, if you do not meet the criteria that you certified above, your SUII funding will be returned.
