

**Graduate School Exploration and Personal Statement appointment:**

- Appointments are approximately 45 - 60 minutes long.
- We can help you explore possible programs that will support your efforts to reach your career goals.
- For application and personal statement appointments, please bring a copy of your personal statement and resume.
- Be prepared to talk about the specific program you are applying to, and what the admission requirements are.
- If possible, bring a copy of the essay question(s) and guidelines.
- Be ready to talk about your experiences and achievements.
- The reviewer will write critiques directly on your essay and go over it with you. ☐ You may receive handouts and/or worksheets to supplement critiques.
